- Spam filter & virus protection
- Anywhere access on your laptop or PDA
- Daily email back-ups
- 60 day money back guarantee

Business product prices exclude VAT. Broadband requires a standard BT line and is subject to survey and availability. Minimum 12 month term required. Minimum computer specification applies. Terms and conditions apply.

1. 8Mb speeds subject to various factors including local availability, line test and distance from exchange. If your line won't support up to 8Mb download speeds, we'll offer the best available speed on your line. Conditions apply.
2. Subject to line test. If your line won't support 2Mb, BT will offer the best available speed for your line.
3. No rental on the VoIP line for duration of account saving £60 at current rates. New or regrading customers only.
